Our Mission

School District 6 provides a quality education for every learner within a system of high expectations and rigorous, focused instruction.

Our Vision

Every student a learner. Every student a graduate. All students a success!

Our Core Beliefs

- We prepare students for success in a constantly changing and diverse world.
- We treat every one of our students, parents, staff and community members with dignity and respect.
- We embrace the individual uniqueness of each student, parent, staff and community member as this diversity enriches the educational experience for all.
- We pursue excellence and encourage creative and critical thinking skills.
- We maintain a safe environment to enhance learning and teaching.
- We welcome vigorous engagement by parents and the community in our schools and district.
